

## CONTENTS

Abstract .....	1
1. Introduction .....	3
2. Operation of the Survey.....	4
3. Geomorphology and General Geology.....	5
4. Stratigraphy .....	8
4. 1. Skallen brown gneiss formation.....	8
4. 2. Skallen lower calcareous formation.....	9
4. 3. Skallen siliceous formation.....	9
4. 4. Skallen upper calcareous formation.....	10
5. Plutonic Rocks and Minor Intrusives.....	11
5. 1. Plutonic rocks .....	11
5. 2. Minor intrusives .....	12
6. Geologic Structure .....	14
7. Geologic History.....	18
Acknowledgments .....	21
References .....	22
Appendix .....	24
